Dear Sir,

We will be glad to contribute a copy of each of
our magazines to each of the different reading room tables
in the Faculties of Toronto University if you will be good
enough to let us have the correct address, or put us in
touch with someone who will, so that each reading room will
get a copy and that the copies will not all be going to the
one. We presume there is a students' reading room in
connection with each of the Faculties of Toronto University.

Yours very truly,

J. J. Harpell, Esq.,
Industrial and Educational Press,
35-45 Alexander Street,
Montreal.

Dear Mr. Harpell:

I would suggest that you send a copy of your
magazines to the following departments of the University:

H. H. Langton, Esq., Librarian, for the Faculty Reading Room.

Secretary of Engineering Society, Engineering Building.

Dean Fernow, Faculty of Forestry.

Dean Pakenham, Faculty of Education, Bloor Street West.

In this way I think the largest number of students
and teachers would have the opportunity of seeing your publications.

Yours sincerely,

President.
